President's Report

We would like to thank Lighting Dynamics Inc., for sponsoring our May program with Rick Schuett from Encelium Technologies for presenting *Sustainable Design & Energy Management Using Addressable Lighting Controls*.

Spring is here and it is time to sponsor and register for the annual IES Cleveland Section Golf Outing in June. The proceeds from the event are for the CTS Student Scholarship presented in May and to support your local Cleveland IES Section. So chase the millipedes and spiders out of your golf bag and dust off your clubs (or at least clean off the grass from last season) for a fun day in June. Hopefully we will get all of the rain out of the way this week before the outing.

This is the end of my first two year term as your IES Cleveland Section President. I would like to thank the following members who will be stepping down from the Board of Managers; Terry Kilbourne and Gene Schleicher. Both have served our IES Section over the years and their services will be missed, but they will still remain as supporting members of our section. Also, a special thanks to Jason Brown who will step down as Vice President and will become a Board Member as well as our section voice at a National level. Jason was very instrumental in bringing in many of the programs and guest speakers you enjoyed this year.

I would like to thank the members of the Board of Managers that will continue to serve IES in the next two-year term; Brain David, Robert Doherty, Jr., Dyke Riffle and Dave Woytek as well as Committee Chairs Natasha Cekic, AJ Mazza and Rinara Reh. Chris Woodman will remain as our Lumen Press designer and am looking forward to other ideas he may have to make our website user friendly to our members.

Henry Barker has done a great job this year and will remain on as Secretary to keep track of new members and sending out welcome letters as well as deciphering and distributing the meeting minutes.

A treasurer is a key member of any organization to keep the organization afloat in good and bad economic times. Wendy has graciously offered to stay on for one more year to keep our section on track financially until we can find a suitable replacement. Wendy also takes care of the Hotel and Food reservations for our programs. Thanks Wendy.

We would also like to welcome our new Vice President, Kristen Millardi and Board Members Shelli Sedlak, Joe Borzyn, Bob Martin and Rinara Reh. All of the people mentioned above have actually been setting in on the Board of Managers meetings becoming familiar with how the Cleveland Section operates and have already made valuable contributions to our section.

I am looking forward for another two years and hope we can continue to serve you by providing current programs and information to our members. If you have any suggestions of programs you would like to see next year, [send them to me](#) before June 25th and we will discuss it at our planning meeting in early July.

Thank you for your support.

Richard Rutledge
IES Cleveland Section President

IES Emerging Professionals

Who

- Students
- Recent Graduates
- Professionals with less than 5 years of experience

Benefits

- Participate in IESNA
- Access learning opportunities for development of professional skills & abilities
- Expand EP's recognition in the community
- Create new leadership & integrate new ideas into the Society
- Share concerns and needs with each other & facilitate the fulfillment of those requirements
- Have the opportunity to meet mentors
- Voice future needs to the Society

How to join

Contact Rinara Reh
rinara.reh@ge.com

* Encourage EP's in your company to participate. Your support matters.
