“LED Fundamentals Workshop”

The LED industry is continually changing and we need to ground ourselves in the fundamentals of LEDs to understand the changes that will be coming in the future.

Our presenter for this program is not new to the Cleveland Area. Rick Racey will be returning from the nice weather in Florida, to the snow covered shores of Lake Erie to present this updated program sponsored by Lighting Dynamics Inc. Rick has been in the lighting industry for 20 years with 14 years in specifying sales in the Ohio and Florida markets. Rick is now the National Sales Manager of Beacon Products which is a Division of Hubbell Lighting.

Please join us for this educational program on Tuesday, January 17.

TREASURER NEEDED

WANTED: NEW IES CLEVELAND SECTION TREASURER

Wendy Turkuc has been the IES Cleveland Section Treasurer since September of 2004. In June of 2012, Wendy will be leaving us since her work as of late has been more in the Telecommunications side of the business than in the Lighting Industry. We thank Wendy for staying on and helping us until we can find someone to train for the Treasurer's position.

If there is any member interested in the Treasurer's position, please contact Wendy by phone at 216-636-5893 or e-mail turkuc@att.net. We need a reliable person to apply before the ballot is prepared for the elections in March. If you have any questions about the position or the work involved, Wendy can give you a rough idea of the time required per month and the preparation of the tax forms to IES National at the end of the year. You must be a member to apply for the position and be approved by the Board of Managers.

We thank Wendy for her many years of service to your section and wish her the best in her new endeavors.

President's Report

The LED industry is continually changing and we need to ground ourselves in the fundamentals of LEDs to understand the changes that will be coming in the future. Please Join Rick Racey for the "LED Fundamentals Workshop" sponsored by Lighting Dynamics Inc. on Tuesday, January 17, 2012 for lunch at the Hilton Garden Inn Downtown.

We would like to thank Andy Albrecht of GE Lighting for "Lighting Control and Commissioning with a Dash of Legislation" sponsored by Bob Martin and Myriad Energy Systems. We had a drawing for two of the New Recommended Practices (RPs) for Lighting Control Commissioning that we raffled off at the program donated by our Board Member Shelli Sedlak-Mejia and GE Lighting. Even though the business cards were well mixed, the winners of the RPs were from the same table, Dyke Riffle and Carol Philips. Congratulations Dyke and Carol.

On February 17, we have "Energy Codes & Integrated Building Technology" presented by a speaker from Crestron Electronics and sponsored by Jack Duffy & Associates.

We have programs we are currently working on for the Electro Expo 2012 in March, our April and May programs, so stay tuned for more information on the upcoming events.
